

12% Humic Acids

CONTAINS NON-PLANT FOOD INGREDIENT

ACTIVE INGREDIENT:

Humic Acids from Leonardite 12.00%

INACTIVE INGREDIENTS:

(Water, Potassium Hydroxide) 88.00%
100.00%

F3445

GENERAL INFORMATION

12% Humic Acids solution may be applied to most crops. This product is readily dispersed in most fertilizer or micronutrient products. Avoid using this product with acids and oxidizers.

This product is a weak alkaline solution and may alter the pH of certain solutions. A weak acid may be used to reduce the pH of the spray solution. This product may be applied with various irrigation water systems.

DIRECTIONS FOR USE

Consult your local agronomist for rates specific to your crop and conditions.

Do not apply near water, storm drains, or drainage ditches, or to any impervious surface. Do not apply if heavy rain is expected. Apply this product only to the intended application site.

FOLIAR: Apply 1-3 quarts per acre with sufficient water for thorough coverage by ground or air application. This product is a weak alkaline salt and may be neutralized with a buffer. High rates of this product in combination with high rates of other materials may cause burn. When in doubt, test it on a small scale.

SOIL: Apply 1-12 quarts per acre with fertilizer or with water. This product may require agitation when mixed in concentrated phosphate fertilizer such as 10-34-0.

COMPATIBILITY: Follow this sequence of mixing:

1. Water
2. Humic acids
3. Fertilizer

To reduce the risk of incompatibility, always jar test new combinations prior to field mixing.

PRECAUTIONARY STATEMENTS KEEP OUT OF REACH OF CHILDREN

Based on currently available data, this product is not classified as a GHS hazardous substance. However, observe good industrial hygiene practices. Wash hands after handling. Refer to the Safety Data Sheet if first aid instructions are needed.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Store in original container only and keep tightly sealed when not in use. Store away from incompatible materials. Dispose of contents/container in accordance with federal, state and local regulations.
