

STRIKE FORCE®

**DEPOSITION AID • DRIFT CONTROL AGENT • PENETRANT
ANTIFOAMING and DEFOAMING AGENT • WATER CONDITIONING AGENT**

Principal Functioning Agents:

Lecithin, Lactic acid and derivatives, polyethoxylated esters and alcohols.....	88%
Constituents ineffective as spray adjuvant	12%
TOTAL.....	100%

SHAKE WELL BEFORE USE

KEEP OUT OF REACH OF CHILDREN

WARNING

Precautionary Statements: Harmful if inhaled. Causes eye irritation. Causes mild skin irritation. Avoid breathing dust/fume/gas/mist/vapours/spray. Wash hands thoroughly after handling. Use only outdoors or in a well-ventilated area. **Environmental Precautions:** Prevent further leakage or spillage if safe to do so. Do not contaminate water. Do not allow to enter drains, sewers, or watercourses.

Personal Protective Equipment: Wear protective gloves/protective clothing/eye protection/face protection.

First Aid: If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **If on skin:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. **If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

GENERAL: Strike Force® is a multi component shear tolerant drift control agent containing suspended antifoam-defoamer and water conditioner. Strike Force may be used as a drift control adjuvant to enhance deposition, retention, and control spray droplet size. Strike Force improves deposition by increasing initial adhesion of droplets to the surface of hard to wet plants (reducing bounce and run-off). Strike Force will not increase viscosity of spray solution, reduce the flow rate or affect the angle of the spray nozzle. Strike Force retards drift by producing a more uniform droplet size and a more uniform spray pattern. The degree of drift hazard varies with the type of pesticide and application conditions. Common sense and sound application technology must be followed when spraying pesticides. Strike Force will retard, but not eliminate drift. Strike Force is compatible with most pesticide formulations. Application may be by ground or air.

DIRECTIONS FOR USE: Strike Force may be used on and has demonstrated excellent plant safety on a wide variety of crops. Strike Force may be used in a variety of non-crop sites including but not limited to forestry, industrial, grasslands, rights-of-way, turf (golf courses, parks, and sod farms), ornamentals (container, field or greenhouse) and other turf, ornamental and landscaping sites.

GENERAL USE: The antifoam-defoamer is suspended and may separate during storage but is easily re-suspended by shaking or re-circulating. Strike Force should be added to the spray tank before adding pesticides to prevent foaming and reduce the effect of hard water ions. For tank mix compatibility concerns, conduct a jar test of the proposed mixture to ensure compatibility of all components. Mix components in the same ratio as the proposed tank mix.

Suggested use rates: 2 quarts per 100 gallons (0.5%) of spray mixture.

Environmental Hazards: Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment washwaters.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place. Store in original container. Keep tightly closed. Do not reuse empty container. Product will become thicker at cold temperatures but effectiveness of the product will not be affected. Warm product before use.

DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Dispose of contents/container on-site or at an approved waste disposal facility. Triple rinse (or equivalent) adding rinse water to spray tank. Offer container for recycling or dispose of container in sanitary landfill, or by other procedures approved by appropriate authorities. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org.

For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC 1-800-424-9300.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

BEFORE BUYING OR USING THIS PRODUCT, read the Directions for Use and the following Conditions of Sale and Limitation of Warranty and Liability. By buying or using this product, the buyer or user accepts the following Conditions of Sale and Limitation of Warranty and Liability, which no employee or agent of LOVELAND PRODUCTS, INC. or the seller is authorized to vary. LOVELAND PRODUCTS, INC. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, when the product is used in accordance with such Directions for Use under normal conditions of use. LOVELAND PRODUCTS, INC. MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE BUYER'S OR USER'S EXCLUSIVE REMEDY FOR ANY INJURY, LOSS, OR DAMAGE RESULTING FROM THE HANDLING OR USE OF THIS PRODUCT SHALL BE LIMITED TO ONE OF THE FOLLOWING, AT THE ELECTION OF LOVELAND PRODUCTS, INC. OR THE SELLER: DIRECT DAMAGES NOT EXCEEDING THE PURCHASE PRICE OF THE PRODUCT OR REPLACEMENT OF THE PRODUCT. LOVELAND PRODUCTS, INC. AND THE SELLER SHALL NOT BE LIABLE TO THE BUYER OR USER OF THIS PRODUCT FOR ANY CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES, OR DAMAGES IN THE NATURE OF A PENALTY.
