

## Milled Ammonium Sulfate Drift Reduction/Deposition Aid Anti-foam Agent

### PRINCIPAL FUNCTIONING AGENTS:

A proprietary blend of milled ammonium sulfate, drift reduction/deposition polymers and antifoam agents..... 100%

**KEEP OUT OF REACH OF CHILDREN**

### WARNING

Precautionary Statements: Harmful if swallowed. May be harmful in contact with skin. Causes serious eye irritation. Causes mild skin irritation. Wash hands, face, and other affected areas thoroughly after handling. Do not eat, drink or smoke when using this product. Wear eye protection/ face protection. Environmental Precautions: Prevent further leakage or spillage if safe to do so. Do not contaminate water. Do not allow to enter drains, sewers, or watercourses.

**NET WEIGHT: 9.0 LB (4.08 KG)**

**PERSONAL PROTECTIVE EQUIPMENT:** Wear protective gloves/protective clothing/eye protection/face protection.

**FIRST AID:** If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. If swallowed: Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

**FOR A MEDICAL EMERGENCY INVOLVING THIS PRODUCT CALL:** 1-866-944-8565.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

Thrust® is designed to improve the efficacy of post emergence herbicides requiring ammonium sulfate. Ammonium salts reduce the antagonism of spray water with herbicides. When added at the rate of 9 pounds per 100 gallons, Thrust provides 8.5 pounds of ammonium sulfate per 100 gallons of spray solution. Thrust is a drift reduction/deposition aid. Thrust reduces spray fines and improves deposition on plant vegetation.

**NOTE:** Many factors contribute to drift, such as boom height, distance from target area, proper nozzle selection, nozzle configuration, spray pressure, temperature, wind and thermal inversion. Thrust will not eliminate all fines in all situations. Always use good judgment when spraying chemical control products.

Thrust prevents the formation of foam. Thrust has been finely milled to enhance rapid dispersion in the spray tank. Thrust contains no surfactants or wetting agents.

### USE DIRECTIONS

Add Thrust at the rate of 9 to 17 pounds per 100 gallons of water

**IMPORTANT:** Follow these mixing procedures:

1. Fill spray tank one half full of water and begin agitation.
2. **SLOWLY** add required amount of Thrust to the water at the point of maximum agitation. Vigorous agitation is required to disperse the product. Continue agitation until Thrust is completely dissolved.
3. Continue filling while recirculating. Add herbicides and any additional adjuvants needed as directed by the label.
4. Always read and follow all label directions and observe all precautionary statements of the herbicide label.

### STORAGE AND DISPOSAL

**STORAGE:** Store in a cool, dry place. Store in original container. Keep tightly closed. Do not reuse empty container. **DISPOSAL:** Nonrefillable container. Do not reuse or refill this container. *Completely empty bag into application equipment by shaking and tapping sides and bottom to loosen clinging particles.*

Dispose of contents/bag on-site or at an approved waste disposal facility. Offer for recycling if available or dispose of empty bag in a sanitary landfill or by incineration. Do not burn, unless allowed by state and local ordinances.

For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC 1-800-424-9300.

### CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

**BEFORE BUYING OR USING THIS PRODUCT,** read the Directions for Use and the following Conditions of Sale and Limitation of Warranty and Liability. By buying or using this product, the buyer or user accepts the following Conditions of Sale and Limitation of Warranty and Liability, which no employee or agent of LOVELAND PRODUCTS, INC. or the seller is authorized to vary. LOVELAND PRODUCTS, INC. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, when the product is used in accordance with such Directions for Use under normal conditions of use. LOVELAND PRODUCTS, INC. MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE BUYER'S OR USER'S EXCLUSIVE REMEDY FOR ANY INJURY, LOSS, OR DAMAGE RESULTING FROM THE HANDLING OR USE OF THIS PRODUCT SHALL BE LIMITED TO ONE OF THE FOLLOWING, AT THE ELECTION OF LOVELAND PRODUCTS, INC. OR THE SELLER: DIRECT DAMAGES NOT EXCEEDING THE PURCHASE PRICE OF THE PRODUCT OR REPLACEMENT OF THE PRODUCT. LOVELAND PRODUCTS, INC. AND THE SELLER SHALL NOT BE LIABLE TO THE BUYER OR USER OF THIS PRODUCT FOR ANY CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES, OR DAMAGES IN THE NATURE OF A PENALTY.
