DERIVED FROM: Ammonium Polyphosphate, Potassium Acetate, Manganese EDTA, and Zinc EDTA.

ALSO CONTAINS NON-PLANT FOOD INGREDIENTS:

0.06% Fulvic Acids.

Contains 1.1 million colony forming units (CFU) per gallon of the following:

<i>Bacillus brevis</i>	4.18 x 10 ¹ CFU/ml
<i>Bacillus licheniformis</i>	4.18 x 10 ¹ CFU/ml
<i>Bacillus megaterium</i>	4.18 x 10 ¹ CFU/ml
<i>Lactobacillus plantarum</i>	4.18 x 10 ¹ CFU/ml
<i>Rhodococcus rhodochrous</i>	4.18 x 10 ¹ CFU/ml
<i>Rhodopseudomonas palustris</i>	4.18 x 10 ¹ CFU/ml
<i>Streptomyces griseus</i>	4.18 x 10 ¹ CFU/ml

F2544

GENERAL INFORMATION

TILL-IT® PERFECTO® is a liquid phosphate fertilizer designed as a starter or pop-up fertilizer. It may be applied below, to the side or in the seed furrow of most crops depending on local conditions and established agricultural practices. This product contains fully chelated EDTA zinc and manganese.

TILL-IT PERFECTO should be used as part of a comprehensive Total Nutrition System® for optimizing soil/nutrient conditions for plant growth, development, yield, and quality.

DIRECTIONS FOR USE

Before application, consider the total salt index, soil type, moisture level and rate of fertilizer application when using TILL-IT PERFECTO.

POP-UP APPLICATIONS: Apply 1-5 gallons per planted acre on seed as established by local agricultural practices. This product may be diluted with water for ease of calibration if needed. When applied in the seed furrow on very dry soils, a post plant irrigation within 24 hours is recommended. Use caution when applying directly to the seed in very saline soils as there may be risk of seedling injury.

STARTER APPLICATIONS: Apply 1-5 gallons per acre as a band directly below the seed or 5-20 gallons 2 inches below and to the side of the seed line. TILL-IT PERFECTO may be diluted with water or UAN in 2x2 applications for ease of calibration if needed. It may also be applied as a surface spray band over the top or to the side of the seed prior to planting.

APPLICATIONS FOR SMALL SEED CROPS (including Bluegrass, Canola, Rape, Mustard): Place this product no closer than 2 inches from the seed.

APPLICATIONS FOR LEGUMES (including Soybeans, Dry Beans, Peas, Lentils): Do not apply in-furrow. Apply 1-5 gallons 2 inches below and to the side of the seed line. Avoid direct, on-seed applications.

COMPATIBILITY: The compatibility of TILL-IT PERFECTO with other products may vary. Proposed mixtures should be evaluated in a jar test before full scale use. Do not mix this product with calcium fertilizers. Consult your area Wilbur-Ellis representative for further recommendations.

PRECAUTIONARY STATEMENTS

KEEP OUT OF REACH OF CHILDREN

Based on currently available data, this product is not classified as a GHS hazardous substance. However, observe good industrial hygiene practices. Wash hands after handling. Refer to Safety Data Sheet if first aid instructions are needed.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Store in original container only and keep tightly sealed when not in use. Store away from incompatible materials. Dispose of contents/container in accordance with federal, state and local regulations.

Information regarding the contents and levels of metals in this product is available on the Internet at <https://www.aapfco.org/metals.html>

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of the product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FORTHIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Buyer and User accept all risks arising from any use of this product, including without limitation uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.

To the extent permitted by law, neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
