

WATER CONDITIONING AGENT • SURFACTANT • HUMECTANT

PRINCIPAL FUNCTIONING AGENTS:

Monocarbamide dihydrogen sulfate, alkyl amine ethoxylate, polyhydric alcohol 80.00%

CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANT 20.00%

TOTAL 100.00%

HAZARD STATEMENTS

May be corrosive to metals.
Harmful if swallowed.
Causes severe skin burns and eye damage.
Causes serious eye damage.
Harmful in inhaled.

PRECAUTIONARY STATEMENTS

General:
If medical advice is needed, have product container or label at hand.
Keep out of reach of children.
Read label before use.

Prevention:

Keep only in original container.
DO NOT breathe mist/vapours/spray.
Wash hands, face and other affected areas thoroughly after handling.
DO NOT eat, drink or smoke when using this product.
Use only outdoors or in a well ventilated area
Wear protective gloves/protective clothing/eye protection/face protection.

Response:

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
Absorb spillage to prevent material damage.

IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower.
Wash contaminated clothing before reuse.

IF SWALLOWED: Rinse mouth. **DO NOT** induce vomiting.

IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing.
Specific treatments see Additional First Aid Measures on this label.

Immediately call a POISON CENTER or doctor/physician.

Storage: Store locked up.

Disposal: Dispose of contents/container to Local, State and Federal Regulations.

WA Reg. No.: 89391-23001

FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

If in eyes: Hold eye open and rinse slowly and gently with water for 15 –20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

PRODUCT INFORMATION

Combining superior water conditioning agents, surfactants and humectants into a single blend, **TRAVERSE** is an ideal tank mix additive for most pesticide spray operations. By using multiple exceptional components, this adjuvant improves the efficacy of pesticides applied under a wide range of conditions. Use **TRAVERSE** in place of the multiple adjuvants that would be needed to mitigate the effects of hard water, reduce the surface tension of spray droplets and slow drying times. **TRAVERSE** will maintain the quality of water used in the tank mix by minimizing the antagonism caused by calcium, magnesium and iron ions found in most irrigation waters. Untreated, these ions can combine with pesticides actives, reducing their solubility and inhibiting their effectiveness. **TRAVERSE** also reduces the surface tension of spray droplets. With a lower surface tension, spray droplets spread to cover more surface area as soon as they reach the target surfaces. By covering more of the target's surface, the actives are more readily available to quickly penetrate the surface and reach the interior layers, providing a quicker kill. Finally, **TRAVERSE** includes humectants that hinder the evaporation of spray droplets, increasing the length of time active ingredients are available to move into the plant interior.

DIRECTIONS FOR USE

Follow all pesticide label instructions. **TRAVERSE** will cause a significant reduction in the pH of tank mixes. If the pesticide label does not allow low pH conditions, another adjuvant should be used. If the applicator does not have experience using this product, a phytotoxicity (jar) test must be performed to facilitate safety and compatibility with each tank mix. If the pesticide label does not provide a recommended mixing order, follow these directions:

1. Fill the tank a minimum of 1/2 full with water and begin agitation.
2. Add dry formulations (DG, DF or other water soluble formulations) and mix thoroughly.
3. Continue agitation while adding the other ingredients, such as pesticides, fertilizers and other adjuvants.
4. Add **TRAVERSE** last.

USE RATES

Active Pesticide Ingredient	Recommended Use Rate
Fully loaded glyphosate	1-2 quarts / 100 gallons of spray solution
Partially or unloaded glyphosate	2-4 quarts / 100 gallons of spray solution
Most other active ingredients	1-2 quarts / 100 gallons of spray solution

AMS Replacement: Use **TRAVERSE** at 1– 2 quarts per 100 gallons of spray solution when used in place of 8.5 –17 pounds of ammonium sulfate.

Not for aquatic use in Washington state.

STORAGE AND DISPOSAL

STORAGE: Store locked up. Store in original container. **DO NOT** store near fire, flame or other potential sources of ignition. **DO NOT** contaminate water, food or feed by storage or disposal of this product. **DO NOT** store in mild steel or aluminum containers. **DO NOT** store near strong oxidizers.

DISPOSAL: DO NOT reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations. Dispose of contents/container to hazardous or special waste collection point, in accordance with local, regional, national and/or international regulation.

CONDITION OF SALE AND LIMITATION OF WARRANTY AND LIABILITY NOTICE:

Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded. The Directions for Use of this product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as manner of use or application, weather, presence of other materials or other influencing factors in the use of the product, which are beyond the control of INNVICTIS CROP CARE, LLC or Seller. To the extent consistent with applicable law, all such risks shall be assumed by Buyer and User, and Buyer and User agree to hold INNVICTIS CROP CARE, LLC and Seller harmless for any claims relating to such factors. INNVICTIS CROP CARE, LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks referred to above, when used in accordance with directions under normal use conditions. This warranty does not extend to the use of this product contrary to label instructions or under conditions not reasonably foreseeable to or beyond the control of Seller or INNVICTIS CROP CARE, LLC, and Buyer and User assume the risk of any such use. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, INNVICTIS CROP CARE, LLC MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE. To the extent consistent with applicable law, neither INNVICTIS CROP CARE, LLC nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. **TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THE EXCLUSIVE REMEDY OF THE USER OR BUYER, AND THE EXCLUSIVE LIABILITY OF INNVICTIS CROP CARE, LLC AND SELLER FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF INNVICTIS CROP CARE, LLC OR SELLER, THE REPLACEMENT OF THE PRODUCT.** INNVICTIS CROP CARE, LLC and Seller offer this product, and Buyer and User accept it, subject to the foregoing Conditions of Sale and Limitation of Warranty and Liability, which may not be modified except by written agreement signed by a duly authorized representative of INNVICTIS CROP CARE, LLC.
