

# ADJUVANT

# VELOMAX<sup>®</sup> DRT

## DRIFT REDUCTION AGENT

### PRINCIPAL FUNCTIONING AGENTS:

Soybean oil methyl ester, petroleum hydrocarbons, alkyl phenol ethoxylate..... 99.7%

**CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANTS** ..... 0.3%

**TOTAL:** ..... **100.00%**

Contains petroleum distillates

All ingredients are exempt from tolerance under 40 CFR 180.

TOXICITY END POINTS FOR THIS PRODUCT EXCEED GHS CLASSIFICATION; IT IS LABELED UNDER PREVIOUS REGULATIONS.

**KEEP OUT OF REACH OF CHILDREN  
CAUTION**

CA Reg. No.: 89391-50004

**NET CONTENTS: 2.5 Gal (9.46 L)**

**TOXICITY END POINTS FOR THIS PRODUCT EXCEED GHS CLASSIFICATION;  
IT IS LABELED UNDER PREVIOUS REGULATIONS.**

**PRECAUTIONARY STATEMENTS**

**CAUTION:** Avoid contact with skin, eyes or clothing. Keep out of reach of children. Read label before use. Keep container tightly closed. Keep only in original container. Wash hands thoroughly after handling. **DO NOT** eat, drink or smoke when using this product.

**PERSONAL PROTECTIVE EQUIPMENT (PPE)**

**Applicators and other handlers must wear:** Wear splash proof goggles or eye protection and gloves. Always read and follow precautions on the most stringent tank mix partner label.

**FIRST AID**

**Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.**

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing. **If eye irritation persists:** Get medical advice or attention.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes. **If skin irritation occurs:** Get medical advice or attention.

**IF SWALLOWED:** Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. **DO NOT** give anything by mouth to an unconscious person. **DO NOT INDUCE VOMITING.**

**IF INHALED:** If breathing is difficult, remove person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

**DIRECTIONS FOR USE**

**PRODUCT INFORMATION**

The degree of drift hazard varies with the type of pesticide, application conditions and the vegetation near the treated area.

*VELOMAX DRT* is formulated to be a drift reduction technology (DRT) that helps to prevent droplet shearing into fines that may move off target to sensitive areas. Wind tunnel testing has shown that when CPT™111T type nozzles are used with *VELOMAX DRT* in aerial spraying, a uniform droplet size range is generated.

*VELOMAX DRT* does not produce extra coarse spray droplets like polymer drift products. Always follow the directions on the most restrictive label of the tank mix.

Tank mixtures should only be applied within the label recommendations of every product in the tank mixture. **NOT FOR AQUATIC USE.**

Use only if a drift reduction agent is allowed or not excluded on the tank mix partner label(s).

*VELOMAX DRT* may be applied through direct injection systems when pumped with proper amount of water. **DO NOT** pre-mix with emulsifiable concentrates or aqueous solutions.

**NOTE:** When combining new or unfamiliar components in any tank mix, the applicator should conduct Phytotoxicity and jar tests to ensure compatibility and avoid damage to non-targeted species.

**Order of addition:**

**In general, follow the W-A-L-E-S plan when adding herbicides to a tank mix.**

1. Wettable Powders (WP) then Flowables (F, DF)
2. Agitate then add anti-foaming compounds, buffers
3. Liquid and Soluble products
4. Emulsifiable concentrates (EC)
5. *VELOMAX DRT* or other adjuvants

Prior to mixing, you should fill your spray tank with half of the carrier that you intend to use. Then start the sprayer and check to make sure that all valves and gauges work and that you have proper tank agitation.

**APPLICATION RATE**

**Aerial and Ground Spraying: Herbicides:** 4 – 6 ounces of *VELOMAX DRT* per acre  
**NOTE: DO NOT** exceed 1% v/v of the spray solution.

**STORAGE AND DISPOSAL**

**Storage:** Store in a cool well-ventilated place. Keep in original container tightly closed. **DO NOT** reuse empty container. **DO NOT** store with food, feed, or other material to be used or consumed by humans or animals. **DO NOT** contaminate water supplies. For optimal storage, store between 40° and 90 °F.

**Disposal: DO NOT** contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all federal, state and local regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at [www.acrecycle.org](http://www.acrecycle.org). Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

**WARRANTY**

The directions for use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of INNVICTIS CROP CARE LLC or the Seller. All such risks shall be assumed by the Buyer. INNVICTIS CROP CARE LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. **INNVICTIS CROP CARE LLC MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY OR ANY OTHER EXPRESS OR IMPLIED WARRANTY, IN NO CASE SHALL INNVICTIS CROP CARE LLC, OR THE SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. INNVICTIS CROP CARE LLC** and the Seller offer this product, and the Buyer and the User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of INNVICTIS CROP CARE LLC.
