

"Modified Vegetable Oil Concentrate"

100% Active, nonionic, nonvolatile, emulsifiable MSO concentrate.

Enhances the penetration of many pesticides through the waxy layer of cuticle on a leaf surface.

Methylated seed oils have been shown to vastly enhance the translocation of pesticides.

MSO uses a special blend of soy products that have proven to enhance pesticide performance and reduce the risk of crop damage.

Precautionary Statements and Personal Protective Equipment:

Keep container tightly closed. Avoid contact with eyes, skin and breathing vapors or spray mist. Wear protective gloves, safety goggles or face shield, protective clothing such as long-sleeved shirt and long pants. Do not eat, drink or smoke when using this product. Wash hands thoroughly after handling

Storage and Disposal:

Do not contaminate water, food or feed by storage or disposal. Follow all governmental procedures for the disposal of all spray solutions. Dispose of containers in accordance with local regulations.

Notice: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use, storage or handling of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use. The risks include, but are not limited to damage to plants, crops and animals to which the material is applied, failure to control pests, damage caused by drift to other plants or crops, and personal injury.

Net Contents: 2.5 Gallons

Principal Functioning Agents:

Methylated Seed Oil, Ethoxylated Alcohol.....100%

Total.....100%

Exempt from tolerance under EPA 40 CFR 180.1001 (c).

DIRECTIONS FOR USE:

For use as spreader:

16-32 ounces per 100 gallons

For use as plant penetrant:

1-2 quarts per 100 gallons

Always follow pesticide manufacturers' recommendations.

NOT FOR AQUATIC USE

DANGER: CAUSES EYE IRRITATION

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do - continue rinsing.
